MEETING PLANNERS REVEAL THE BEST KEPT SECRET ON LAS VEGAS BOULEVARD

It has been wonderful to work with a property that works with us to keep our costs in line. South Point definitely gives us value for our dollar.

Another value that can't be determined in dollars and cents is the fact that your hotel and convention staff has very little turnover.

Our confidence in using South Point is what led us to also recommend the property for the WaterSmart Innovations Conference which we manage and 2012 will be the fifth year for that conference at the South Point.

Lee Anne Short
Chief Operations Officer
Las Vegas Management

Open Systems, Inc. has used the South Point for our partner and customer conferences for the last three years. As a meeting planner who has worked with hundreds of venues, I find the staff at South Point to be a breath of fresh air. They are an experienced team that work together like a well-oiled machine. The meeting space is ideal for us because our attendees don't have to walk through the casino and we can have all our functions on the same floor. We also LOVE having the Showroom for our private parties. The hotel offers enough amenities so you feel like you're on the strip without the crowds and the high prices. I wouldn't hesitate to recommend South Point for a great meeting space.

Ms. Carla Alarcon
Director of Marketing
Open Systems, Inc.

Isuzu would highly recommend the South Point for any meeting you may plan in Las Vegas. We used the new hotel in January of 2007 for a launch event that took over the hotel. Since that meeting, we have used South Point more than 15 times for various events, and meetings, from events that have taken over the hotel to just a small group, the staff at South Point will treat you the same. From the sales office to the staff working on the event, they're all about making sure that you're having the best event possible.

GREATER MIAMI CONVENTION AND VISITORS BUREAU

Seventeen-Time Winner

Miami's the place to plan your event if you want your attendees to love their time with you and rave about it after they go back home.

Colors are brighter here. Tastes are sweeter. Breezes are balmier. And business is more creative.

Your attendees can swim with a dolphin. Take all their meals alfresco. Browse for vintage mid-century finds. Hold hands 24/7.

If Miami is starting to sound like the place where you should plan your next event, you're starting to understand. We've got the best weather, the hottest restaurants, the hippest shops, the most accommodating hotels and the most beautiful people anywhere in the world.

New Venues

Plus we're the only city in America with two sparkling new performing arts centers designed by superstars Cesar Pelli and Frank Gehry. We're the only city in the world with a brand-new cultural arts center, a new world-class baseball stadium adjacent to downtown, a new art gallery district and a brand-new science museum scheduled to open soon. If you're looking for exciting new venues, we're the only city you should be considering.

Between meetings, your guests can shoot a round of golf. Try to get under the limbo stick. Rollerblade. Whack a tennis ball. Build a sand castle. Run on the beach. Watch the cruise ships sail past downtown's glittering skyline. Water-ski. Play beach volleyball. Shop at the world's largest collection of designer boutiques. Enjoy restored MiMo (Miami Modern) architectural treasures. See the future.

Miami's the international city where you'll hear languages and dialects from around the world. Meet people from every corner of the earth. Find fashions from New York, Paris, Rome and Sao Paulo. Art from Basel. Celebrities just in from Hollywood. Rock bands from Argentina. String quartets from Europe.

Miami is brighter, hipper, hotter, cooler, friendlier, sunnier, sultrier, tastier than anywhere you've ever been before.

When it's time to plan your off-sites, there's more to do in Miami than anywhere. All major league sports; NASCAR's Homestead-Miami Motor Speedway, Sony Ericsson Open, Cadillac Golf Championship at Doral, plus more golf and tennis than anywhere else. And Miami-Dade features two national parks — the Biscayne National Preserve and Everglades National Park. But hip Miami is also a world-class, family-friendly destination. Between Jungle Island, the Miami Seaquarium, Zoo Miami and our sparkling beaches, there are lots of fun things to do with your kids.

When it comes to coming and going, no destination has invested more on transportation. Miami International Airport boasts new terminals and a recently installed high-speed train to whisk travelers from plane to baggage claim and on to our new intermodal center where you'll find access to rental cars, taxis and limos, and public transportation in one convenient place. And now you can take our new Metrorail service directly to downtown Miami. And it's all designed to make hosting an event in Miami just as easy as possible. Imagine the meeting your attendees will want to come to. It's so Miami. **C&IT**

GREATER MIAMI AND THE BEACHES

LONG BEACH CONVENTION & VISITORS BUREAU

Eight-Time Winner

The Long Beach Convention & Entertainment Center, with more than 300,000 sf of modern, flexible exhibit and meeting space, is located in the center of the downtown waterfront with sweeping harbor views.

The center recently underwent a major modernization, and more than \$35 million in major upgrades and renovations have been invested to create a new model for contemporary convention centers. This dynamic repositioning is designed to give guests a warm, stylish and welcoming social experience. In addition, complimentary Wi-Fi is now available throughout the convention center, so attendees can go online to work and connect with their offices.

With the needs of today's convention and meeting attendees in mind, the center's lobbies and hallway areas have been enhanced with new furniture, carpets, plants and artwork to create mini meeting spots and networking pods where people can sit, talk and socialize.

All of these enhancements have continued to hit higher benchmarks in surpassing customer expectations in terms of service and experience. This is already being noted in the convention planning community and is one of our main competitive advantages.

The Long Beach Arena

Set to be complete February 2013, the Long Beach Arena will have the capability of being transformed into a "loft-style" ballroom and will produce 45,000 sf of event space. The loft-style ballroom will be formed using the floor space

of the arena and dropping electronically operated curtains from the ceiling, covering the views of the upper deck seating. Over the ballroom area will be a grid of truss systems (complete with LED, stage lighting and sound systems). This will provide an intimate environment for dinners and concerts for up to 5,500 people, doubling current capacity.

A campus has been created around downtown Long Beach that encourages the development and sharing of ideas. This campus includes newly renovated hotels, which are just steps from the con-

vention center and the surrounding downtown waterfront entertainment district. Attendees will find shopping venues, entertainment, nightlife and more than 100 quality restaurants, many with spectacular oceanfront views.

Long Beach is the center of Southern California, with all the attractions of Los Angeles and Orange County just minutes from our downtown waterfront. But Long Beach features its own world-class attractions: The Queen Mary and the Aquarium of the Pacific, The Pike At Rainbow Harbor, Shoreline Village, plus four distinctive museums and two historic ranchos.

Getting to Long Beach has never been easier with service from three major airports. Los Angeles International Airport and Orange County Airports are less than 30 minutes away, and Long Beach Airport is just seven minutes from downtown. Set to be complete in 2013 is Long Beach Airport's \$140 million modernization project, which includes a new parking structure, ramp improvements, gates and a concourse with a central garden. **C&I**
