Scottsdale Resort & Conference Center will embark on an exciting and comprehensive renovation beginning July 1 that will transform the independent resort and revitalize its amenities, culinary outlets and customer experience.

New Branding

In September 2015, the property will be unveiled as The Scottsdale Resort at McCormick Ranch and will have a gorgeous, updated look to accompany our new name.

The summer 2015 renovation will inject \$9 million into the property, introducing a new restaurant and bar, transforming the main pool, adding significant outdoor meeting and event space, and enhancing guest rooms.

The designers plan to update the look of the resort and introduce new amenities, while staying true to the rich history of the property. The resort's new look and feel also draw inspiration from Argentinian estancias — the magnificent country estates and working ranches that preserve the nation's Spanish-Colonial heritage.

New Outdoor Event Spaces

The renovation will expand and upgrade the outdoor event facilities and further establish the property as a premier meetings and events destination. The property's four tennis courts will be removed to create two event lawns and a sport court dedicated to volleyball and basketball. With the majestic McDowell Mountains as a backdrop, the larger, beautifully landscaped main lawn will offer more than 10,000 sf of event space to accommodate up to 1,200 people for events or team-building exercises. The Scottsdale Resort's Alameda event space, ideal for groups of up to 600 people, will be transformed to match the romantic hacienda design of the resort. The new community event lawn near the resort entrance boasts clear views of the iconic Camelback Mountain, inviting all to "Engage in all the splendor of Scottsdale."

INTRODUCING THE TRANSFORMATION OF THE SCOTTSDALE RESORT.

THE SCOTTSDALE RESORT AT MCCORMICK RANCH re-emerges better than ever this fall. After a multi-million dollar summer renovation, our 50,000 sq. ft. of existing state-of-the-art meeting space will be complemented by dramatic new outdoor event areas with stunning views of the majestic McDowell Mountains in the backdrop. It's the perfect setting to inspire your attendees. From educational training with the latest technology to team-building retreats on a championship golf course, meetings are distinctively different at The Scottsdale Resort at McCormick Ranch.

Plus, book your qualifying fourth-quarter 2015 meeting and receive a complimentary one-hour reception around our new pool. For more information, contact our sales office at 480-596-7410.
